## **EAP Supervisor Training**

**January – June, 2008**

---

A necessary function of every supervisor and manager is to address job performance problems. Early detection and intervention with a troubled employee can play a major role in reducing workplace risk factors, containing health care costs and increasing employee morale and productivity. This program helps managers and supervisors effectively use CONTACT to deal with important management concerns.

---

**NOTE:** EAP Supervisor Training is offered every month in Tucson. To register, or obtain further information, please call Julio Benezra at 602-659-1743 (or e-mail at [julio.benezra@contactbhs.com](mailto:julio.benezra@contactbhs.com)) or speak to your EAP Liaison or Human Resources representative. *Thank you!*
